I2206 : Project Presentation Instructions

a) Each group should send **a 5 minutes video** in which you explain what was achieved in the project. This video should contain a simulation of the program that provides clear answers to all of the questions asked in the project description. **The deadline for submitting the video is at Sunday 13/06/2021 midnight.** The size of the video should not exceed the 10 MB. You can compress your video using any video compressor software or an online tool (ex: https://clideo.com/compress-video)

b) The code of the implemented program, as well as a short report describing your work (the solutions that you implemented) must be also submitted also on Teams before **Sunday 13/06/2021 midnight**

c) A direct questioning session using **Zoom will take place on Monday 14/06/2021 in the following time slots (the camera should be open during the presentation):**

Group	Names	Time
